決戦前夜

THE NIGHT BEFORE BATTLE

FROM THE
SOUTH
TOWARDS

OF PLAT

THESE
HAVE
BECOME
BOTH THE
LARGE-
SCALE
FIGHTS
SINCE WE
JOINED
RIGHTS

WITH SO,
YOU GOTTA
SAY OUR
ARMY IS
SOME
GOOD.

WILL
...

TOMORROW,
WE'LL
FINALLY
REACH
TOWARDS
THE CAPITAL
AND

WE
REALLY
CAN'T
AFFORD
ANY
MISTAKES.
HAST

WHATEVER
EVEN IF WE
GET FIGHT
UP, WE
DON'T GET
OUR TUNES
ANYWAY

AND ONCE
AGAIN, THE
MORE EX-
PERIENCED
ONES GET
TO BECOME
WITH MORE
DECORATED

MT. CLASH

STOP
MAKING
TROUBLE
FOR US!

THIS IS A
DELICATE
TIME...

YOU RODED
AS LORD
WORTH TO
USUALLY THE
NEW RECRUITS,
DON'T YOU?

THAT'S
NO
EXCUSE!

MY IDENTITY
IS IN TRANS-
FORMING!

I CAN'T
HELP IT!

FOR PRINCE
ARTHUR
THOUGH,
I DON'T
THINK BEING
DRUNK
WOULD
BE IN HIS
FAVOUR.

I THINK
WITH
SOME-
TYPE...

THE
ACER
PEOPLE
OBLIGE
THEM, THE
BETTER.

WHAT?

SHOULD
THAT...

I ALWAYS
GET THE
NICE TIRED
FEELING
AFTER
DOING
WORK.

AAAAH

I'M
BUILT...

THINK
THOUGH, NOW
I'M FROM
EARLIER...?

WE'RE
ALREADY
IN ARTHA

BUT

THE
BEST IS
ONLY UP
TO YOU

THERE'S
NOTHING I
CAN DO

AND THERE
ARE SOME
PEOPLE
AMONG US
WE DIDN'T
HAVE TWO
YEARS AGO

TWO YEARS
HAVE
ALREADY
PASSED
SINCE THAT
DAY

AT LAST
WE HAVE
RETURNED
TO OUR
HOMELAND

I AM
SURE
YOU'VE
DISCOV-
ERED

TAUT

LISTEN UP.

FROM

FROM
HERE

I SHALL
EXPLAIN OUR
MISSION TO
LIBERATE
THE CAPITAL
AND

THE MAIN
FORCE WILL
TAKE THE
WESTERN
ROUTE
DIRECTLY
TO AND

FROM
WE SPLIT
INTO TWO
GROUPS

THE OTHER
SQUADRON WILL
SUPPRESS THE
REINFORCEMENTS
THAT

BUT,
ACCORD-
ING TO
SOURCES

THE
NORTHERN
FORTRESS HAS
OUR OWN
REINFORCE-
MENTS
STANDING BY.

I HOLD
BACK
REINFORCE-
MENTS ALL
THE TIME.

OR MAY
I DO IT
THIS.

IF THAT
GROUP
FAILS TO
STOP THE
REINFORCE-
MENTS...

NO.

I WOULD
LIKE KAIN
TO TAKE
COMMAND.

OF COURSE
YOU WILL
STAY WITH
THE MAIN
FORCE.

PLEASE
CONSIDER
THIS IF YOU
CHOOSE TO
ACCEPT THIS
RESPONSIB-
ILITY.

THE MAIN
FORCE WILL
BE HIT FROM
BEHIND AND
WILL ALMOST
CERTAINLY
CRIPPLE US.

OF DARK JUNE

OF BLUE BLUE

OF BLUE

OF AGAIN

TO SAY THAT MY TALENT CAN DECIDE THE OUTCOME OF A BATTLE IS HARDLY AN OVERSTATEMENT. SURELY I'D BE USEFUL, RIGHT?

MY UNIQUE ABILITY IS SURPRISINGLY HELPFUL IN BATTLE.

AFTER

THAT'S NICE AND ALL, BUT WHAT SHOULD I DO?

NO MATTER
WHAT GREAT
DIFFICULTY
ARISES, I
HAVE FAITH
IN THAT
THEY HOPE.

THAT'S
MY
FRIENDS.

THAT'S
RIGHT.

THAT'S
HOW
I GOT
HERE.

BY BELIEVING
IN THAT,
IT'S HOW I
HAVE COME
THIS FAR.

THE
VARIABLE
LIGHT OF
HOPE...

AND
EVEN
NOW...

THAT
WON'T
CHANGE!

CHAPTER 54 - ALMOST DONE!

HEY, AGAIN! SORRY FOR THE WAIT AS ALWAYS. THESE PAST MONTHS HAVE BEEN FILLED WITH MUCH Frustration, PAGE PAULETS, AND A BUSY TIME TABLE. I HOPE NONE OF YOU EVER HAD TO BUILD AN OPERATING SYSTEM FROM SCRATCH IN YOUR LIVES...

I HOPE YOU ALL ARE DOING WELL, AND I HOPE TO SEE YOU AGAIN IN CHAPTER 55!

SEE YA!

Hi, all, it's been a while. Sorry! And I'm back in school again after two weeks of break. Busy, busy... Good news is my classes aren't that hard this semester. Just a lot of System/Verilog programming fun. Strange that my other classes haven't really had assignments yet... Oh, well!

Once, the continent was shrouded in great darkness,  
And a lone hero rose to subdue it,  
Since then, 200 years have passed, and the great chaos  
Has plagued the continent.  
Once again, a lone boy tore through the slough of darkness,  
He inherited both the blood and the valour of the hero,  
But unlike the hero, he had many comrades to support him.  
People of later generations came to know the youth as  
the Hero King Morth.

## CHAPTER 58 – VICTORY IS NEAR!

DEAR READER,

HEY, AND WOH, IT'S BEEN A LONG TIME. WHAT, 5, 6 MONTHS? I WISH I HAD A BETTER EXCUSE THAN "I NEEDED A JOB," OR "I WAS BUSY/UNMOTIVATED," BUT I DON'T. THE OTHER ONE IS I REALLY DIDN'T WANT TO LOS INTO WINDOWS, WHICH IS WHERE ALL MY TRANSLATION TOOLS AND FILES ARE > I DIDN'T EVEN HAVE TO LEARN JAPANESE THIS TIME. IF ALL GOES RIGHT, THE NEXT ONE WON'T TAKE QUITE AS LONG. CONSIDERING THE TRANSLATING PART IS PRETTY MUCH DONE WITH

## End notes

It took me six years to complete the whole series.

I thought I could reach the conclusion earlier than this, but whilst I was writing, episodes and characters which I wanted to expand on suddenly cropped up. As a result the story became very long.

After I made the announcement in Volume 10 that I would be producing the concluding book, I was surprised to receive many letters. Many said, "Please don't end your story" and wanted me to continue until Medusa is defeated.

That makes me so happy.

I am so happy to know that even for such an imperfect manga, I drew there are many readers who feel that they don't want the manga to end. I feel as happy if I have been drawing this manga.

Even now, my favourite Fire Emblem is the very first one for the Famicom, Dark Dragon and Sword of Light. It's simple, deep and interesting, which is how I have come this far. I hoped to incorporate some of that interesting story of the Famicom version into my manga. Nothing brings more happiness than that.

Fire Emblem is my debut work. This wonderful work has given me many fond memories and I will never forget them. All I can say will are deeply grateful.

Huge thanks to my readers for supporting me, the Fire Emblem development staff & Fantasy editing group and the assistants. Thank you all so much.

I will continue to do my best with my work.

Hopefully I will see you again with my next work.

# FIREEMBLEM

On the Dark Dragon's awaking,  
The God let the chosen one  
take a sword called "Falcon Sword".  
To save the world.

And now... a joke for you  
Marvel fans out there

Dear reader,

Well, it's finally over! Although I am happy to be moving on to other things now, I've had fun working on this project over the years. It took me, what, 4? 5 years to complete? I guess I never thought that the First Edition would go the way it did. I also didn't figure I'd have to learn Japanese, so there's that. If you recall, I found Chinese scans first. I figured since I knew Chinese, I'd give it a try.

So what's first? I suppose some thank you's are in order. Thank you, Chazy Felsa, I really don't think I could have done this without you. Plus you helped correct my less-than-excellent Japanese mistakes and really made the project into something I'm proud to look at. Thanks for checking up on me when I was gone for four months at school, travelling, and job hunting. I'm really glad to have worked with you.

Thanks, Kanagox, I know I never really updated that website you helped make past a certain point, but I'm still really thankful for your help and support. I hope you can get back to scanning soon, and I hope that I can do a good job with that side-project.

Thanks all my friends for listening to my many complaints of the story series. If you ever read this, thanks for being there for me.

Thanks to all the readers out there who sent me nice messages. Your encouragement helped keep my hopes for finishing this alive. I'm sorry if I was kind of unresponsive or maybe not very nice sometimes. I was also kind of weird with the project, I know. Sorry, but I've changed a lot over these years. I hope if I've disappointed you that you can forgive me. I'm only human.

I'm not sure what I'll be going on to do after this. I'm not even sure the Facebook page will remain active anymore. Feel free to leave, if you'd like. It has served its purpose, which was being a reliable update medium. Well, I guess I've taken up another project, but that's another story for another day. I'll say something when I get around to it. I am still pretty busy, to be honest. I'm not sure graduation will help, either, as I'll be working at an actual job, and I don't mean playing video games for the Internet!

Again, thank you all very much for reading and supporting! I guess this is good-bye. It's been real. See ya.

PORE

Very respectfully,

Calculus42
